Wing Man's Liver Brownies for Dogs

Ingredients

- 4 Eggs
- 1 containers chicken livers (12 oz)
- ½ teaspoon garlic powder
- ½ tablespoon parsley
- 1 cups cornmeal

Directions

Preheat oven to 375

In food processor or powerful blender, add the eggs, livers, garlic powder and parsley. (Be sure to crush the parsley in your hand before dropping it in. That helps kill the smell!)

Blend until smooth. Gradually mix in the cornmeal.

Lightly grease a 9" pan and pour mixture in.

Bake 35 - 40 minutes. Let cool. Cut into small squares and thaw as needed.

For a special occasion, frost with chicken baby food and decorate with dog cookies, greenie sprinkles, etc…
