CLASS INFORMATION

Standard Class

Beginner Agility—All dogs shall be eligible for participation in this class. There shall be no grand-fathering of titles from other organizations.

Intermediate Agility— Only dogs who have earned the Teacup Beginner Agile Dog (TBAD) shall be eligible for participation in this class.

Superior Agility— Only dogs who have earned the Teacup Intermediate Agile Dog (TIAD) shall be eligible for participation in this class. (Dogs who have earned the Teacup Superior Agile Dog (TSAD) are also eligible for this class.)

Games Classes

Games I—All dogs shall be eligible for participation in this class. There shall be no grand-fathering of titles from other organizations.

Games II— Only dogs who have earned the Games I (TG1) shall be eligible for participation in this class.

Games III— Only dogs who have earned the Games II (TG2) or Games III (TG3) shall be eligible for participation in this class.

CopyCat: This game was invented by Trisha Stall. It is a dog's choice, points accumulation game. Teams must gain points while avoiding copycatting (performing the same points-valued obstacle twice in a row), in which case

they will lose 5 points. Each obstacle may be performed twice successfully for points. This game is scored points, then time.

Rekoons: This is a strategy points-accumulation game. It is snooker played in reverse. The team starts by performing the numbered sequence backwards, from 7 to 2, and then performs the opening, color/red/color/red/color/red. This game is scored points, then time.

Double or Nothing: This is a strategy game, points accumulation. It is similar to gamblers in that there is an opening period to gather points. There are two gambles on course. When the whistle blows, the team performs the first gamble, and if successful the team can then go on to attempt the second gamble. If they fail at the second gamble they lose all gamble points; if they get it they double their gamble points. This game is scored points, then time.

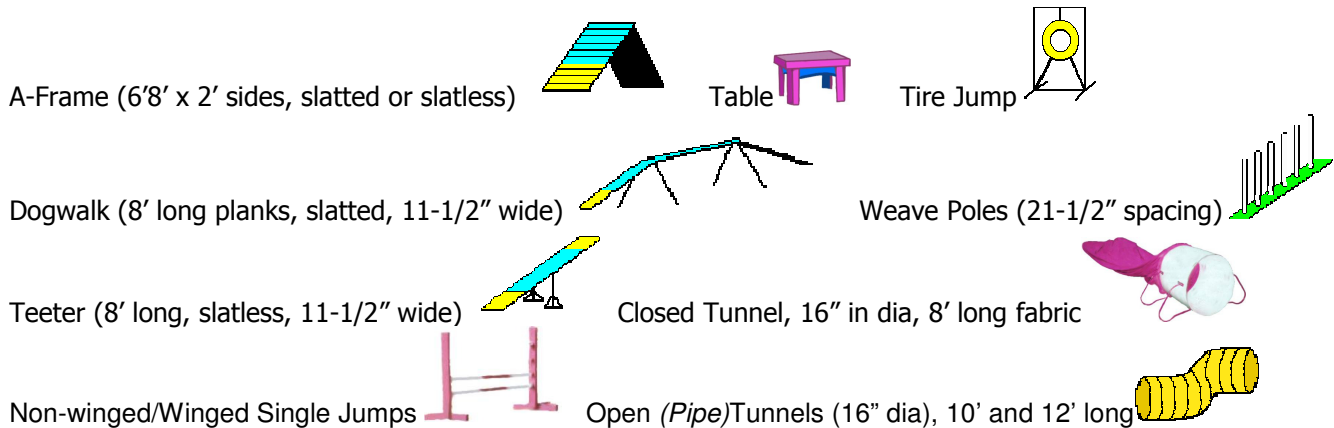

Mute Agility: This is a standard numbered course. The stipulation is that the team must run the course without using any verbal commands (voice, clapping, stomping of feet, whistling, etc). For level 3 dogs, one verbal is allowed. For level 2 dogs, two verbals are allowed. For level 1 dogs, three verbals are allowed. Scoring is time plus faults under standard course time.

Impossible Tunnel Game: This game is a numbered course consisting of all tunnels. It is scored time plus faults under standard course time.

ENTRY ELIGIBILITY

This trial is open to all dogs over the age of 12 months, except bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect a dog's physical or mental performance.

The Following is A List of Obstacles that will be used at this trial:

WARM-UPS:

A warm up area, consisting of a regulation agility jump, shall be provided for all exhibitors. Other obstacles may or may not be included in the warm up area. There will be obstacle familiarization at this trial, details to be announced at the start of each trial day.

Special things to know about this site

- There will be no food vendor on site. We will be bringing in lunch for the volunteers each day – thank you!
- The crating area will be in the same building as the agility ring, and will be heated to approximately 55 degrees (it may be colder in the building if the outside temperature is really cold, so come prepared in layers for both yourself and your dog!).

Height Divisions

Owners are responsible for entering the proper height division. Judges reserve the right to measure dogs entered in any trial. At the handler's option, dogs may be entered in a higher height division, but not in a division lower than their proper height division. Dogs that run in a height division lower than their proper division will be eliminated.

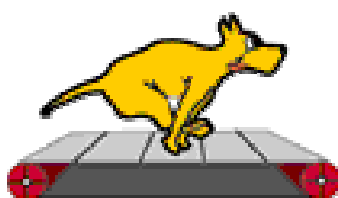

- 4" jump height: for dogs measuring 8" or less; or with a jump height exemption measuring 12" or less
- 8" jump height: for dogs measuring 12" or less; or with a jump height exemption measuring 15" or less
- 12" jump height: for dogs measuring 15" or less; or with a jump height exemption measuring 17" or less
- 16" jump height: for dogs measuring 17" or less at the withers.

Special provisions are made for dogs that are long-backed, have a weight-to-height exemption, or who have dwarfish legs (see rules for complete description of height exemptions; www.dogagility.org).

Veteran dogs: A jump height exemption (next lower height) will also be granted to veteran dogs (dogs of at least 7 years of age). Also, additional time of 2 seconds will be added to course time for standard and optionally in games.

Handicapped handlers: 4 seconds of additional time will be allowed for disabled handlers if so desired. Proof of disability shall be a copy of the handler's disabled parking permit or other official documentation sent with entry or presented at check-in.

How the Fast Track Program Works

Titles may be grandfathered from other organizations on a "Fast Track" basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible for the Fast Tracking dog to move up in the Standard Class from Beginner to Superior on the same day; this can happen if the dog qualifies on his first run in Beginner, and then on his next run in Intermediate. A dog that is Fast Tracking competing in Games 1 on his first run may only move up to Games 2 for his next run, whether or not he earned a score satisfying the qualifying requirements for Games 3 in his first run.

A qualifying score in the lower class is required to move up to the next higher class. You must submit a copy of title certificates for each dog. Fast tracked dogs are not eligible for placement or title ribbons, but are eligible to receive Q ribbons.

Submit \$4.00 for each dog's fast track request (one \$4 fee for games and one \$4 fee for standard). Payment of the fee is no guarantee that your dog will qualify at the lower level (though he will have multiple chances at each), and is non-refundable. Even if you have paid to fast track your dog before, you must pay the fee again to fast track at this trial.

FEO (For Exhibition Only)

FEO (For Exhibition Only): TDAA offers FEO runs. They are open to any TDAA registered dog in any class. These are offered at the option of the local/host club. FEO dogs will run last in their jump heights. They may run on lead. FEO runs do not count toward TDAA titles. No treats or food allowed. FEO teams will have a maximum time of 1.5 times the SCT. FEO dogs cannot repeat any obstacles; no training in the ring

Move-Ups

Move-ups will be taken on the same day or from Saturday to Sunday of the trial. They will apply to the next game played that day, or next round of Standard. Please submit your move-up request as soon as possible after results are posted for the current class so the trial secretary has time to do the paperwork.

NOTICE TO EXHIBITORS

- The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.
- Entry fees will not be refunded in the event that a dog is absent, disqualified, excused, or barred from competition by action of the show committee. A refund of all but \$5 will be given for bitches in season if secretary is contacted by the Wednesday before the trial.
- All fees must be paid in US funds. There will be a Returned Check Fee of \$30 for returned checks. In the event of withdrawal from the event, checks will NOT be returned. All unused checks will be destroyed.
- It is expressly understood that exhibitors alone are responsible for the behavior of their dog(s) and / or children. Any exhibitor whose dog(s) and / or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the show committee, be asked to leave the show site. In that case, no refund of any fees paid will be made.
- All dogs must be on leash at all times except when using the warm up area or in the agility ring.
- No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy or any other cause beyond the control of the organizing committee.
- Obstacles shall meet the specifications for obstacles in the current edition of the Regulations for Agility Trials.
- Exhibitors are responsible for complete, accurate and legible information on entry forms; illegible or incomplete entries cannot be entered in the show.

HOTELS THAT ACCEPT WELL BEHAVED DOGS

SOME HOTEL COURTESIES TO OBSERVE: There are very few motels in the area that accommodate competitors and their dogs. Please use care with your dogs in these motels.

- ✓ Cover the motel's bedding with a sheet, whether or not you think your dog will get on the bed.
- ✓ Make every effort to have your dog free of fleas BEFORE arriving
- ✓ Of course, as is standard agility procedure, the dog's handler/owner will pick up all poop. Please bag and dispose of it properly. Remember that your motel is an extension of the show site. You must clean up after your dog.
- ✓ Don't leave your dog(s) unattended. If you must leave, either take them with you, or leave them crated. Even the best dogs(s) can get carried away having fun in a motel room without you present. We WILL request reports from the motels as to the behavior of agility guest and their dogs. Please be respectful of your motel neighbors.

DIRECTIONS TO TRIAL SITE:

From the South: Take the New York State Thruway North to exit 21A, the "Berkshire Spur", and get off at exit B3 (Austerlitz/New Lebanon). * Follow signs for Route 22 North. Take Route 22 North for approximately 9 miles to the town of New Lebanon. At the red blinking light take a right to stay on Route 22 North. Take a left just before the boarded up gas station to stay on Route 22 North; follow it for approximately 5 miles to the town of Stephentown (you'll enter Rensselaer county about a mile before entering Stephentown). **Go straight through the traffic light at the intersection of Routes 22 & 43, and continue up a hill where 22 becomes 2 lanes. It reduces back to one lane at the top of the hill, and you

will pass a mobile home park on your right. Just after that turn right to Giles Road (Cty Route 33). **Turn right at the bend in the road; in about 1/2 mile you'll see the farm buildings, and the training building on the right (white domed roof and tan walls with windows). Parking is next to the building.

From the West: Take the New York State Thruway to exit 24, Albany. Stay on I-90 (this is a no-toll section) until the end, which is past exit 12. This re-connects with the Thruway (the "Berkshire Spur"). Take this to exit B3 (Austerlitz/New Lebanon), and follow directions from * above.

Alternate directions from the West: from the non-toll section of I-90 take exit 8, Route 43 Eastbound. Follow for approximately 8 miles to the intersection of routes 66 and 43 in Sand Lake. Turn right at the light to stay on route 43. Follow for approximately 10 more miles through Stephentown to the light at the intersection of Routes 22 and 43. Turn left at the light to Route 22 North, and follow directions from * above.

From the East: Take the Mass Turnpike to the New York State line, where it becomes the New York Thruway. Take the very first exit in New York, Exit B3 (Austerlitz/New Lebanon), and follow directions from * above.

From the North: From Hoosick Falls you will take Route 22 South. Go through the town of Berlin. Approximately 3 miles south of the Berlin Jr./Sr. High School is Giles Road on the left. Continue with directions from ** above.
