CLASS INFORMATION*Standard Class*

Beginner Agility—All dogs shall be eligible for participation in this class. There shall be no grand-fathering of titles from other organizations.

Intermediate Agility— Only dogs who have earned the Teacup Beginner Agile Dog (TBAD) shall be eligible for participation in this class.

Superior Agility— Only dogs who have earned the Teacup Intermediate Agile Dog (TIAD) shall be eligible for participation in this class. (Dogs who have earned the Teacup Superior Agile Dog (TSAD) are also eligible for this class.)

Games Classes

Games I—All dogs shall be eligible for participation in this class. There shall be no grand-fathering of titles from other organizations.

Games II— Only dogs who have earned the Games I (TG1) shall be eligible for participation in this class.

Games III— Only dogs who have earned the Games II (TG2) or Games III (TG3) shall be eligible for participation in this class.

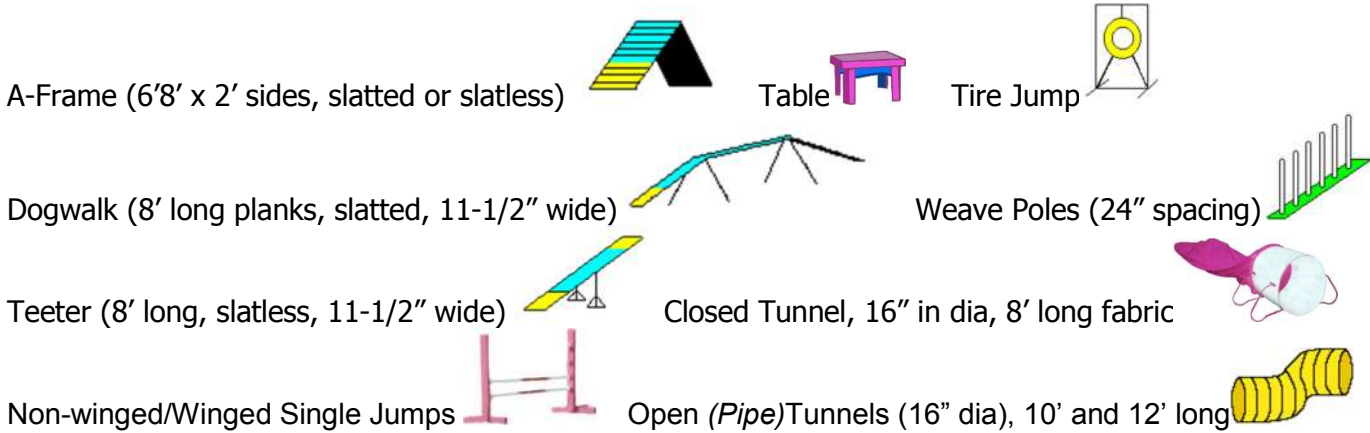

Four Leaf Clover: The dog performs a numbered course. The course will contain opportunities for the team to earn bonuses for the dog successfully performing distance sequences (calls or sends) while the handler remains in a containment box. Note: this course will not include weave poles at any level.

Helter Skelter: This is a numbered jumpers course in a spiraling pattern, in a design set by the judge.

ENTRY ELIGIBILITY

This trial is open to all dogs over the age of 12 months, except bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect a dog's physical or mental performance.

The Following is the List of Obstacles that will be used at this trial:

WARM-UPS:

A warm up area, consisting of a regulation agility jump, shall be provided for all exhibitors. Other obstacles may or may not be included in the warm up area. There will be obstacle familiarization at this trial, details to be announced at the start of each trial day.

Special things to know about this site

- There will be no food vendor on site. We will be bringing in lunch for the volunteers each day – thank you!
- The trial will be held in the grass area behind the pavilion. Crating and EZ ups may be set up around the ring or under the pavilion.

Height Divisions

Owners are responsible for entering the proper height division. Judges reserve the right to measure dogs entered in any trial. At the handler's option, dogs may be entered in a higher height division, but not in a division lower than their proper height division. Dogs that run in a height division lower than their proper division will be eliminated.

- 4" jump height: for dogs measuring 8" or less; or with a jump height exemption measuring 12" or less
- 8" jump height: for dogs measuring 12" or less; or with a jump height exemption measuring 16" or less
- 12" jump height: for dogs measuring 16" or less; or with a jump height exemption measuring 20" or less
- 16" jump height: for dogs measuring 20" or less at the withers.

Special provisions are made for dogs that are long-backed, have a weight-to-height exemption, or who have dwarfish legs (see rules for complete description of height exemptions; www.dogagility.org).

Veteran dogs: A jump height exemption (next lower height) will also be granted to veteran dogs (dogs of at least 7 years of age). Also, additional time of 2 seconds will be added to course time for standard and optionally in games.

Handicapped handlers: 4 seconds of additional time will be allowed for disabled handlers if so desired. Proof of disability shall be a copy of the handler's disabled parking permit or other official documentation sent with entry or presented at check-in.

How the Fast Track Program Works

Titles may be grandfathered from other organizations on a "Fast Track" basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible for the Fast Tracking dog to move up in the Standard Class from Beginner to Superior on the same day; this can happen if the dog qualifies on his first run in Beginner, and then on his next run in Intermediate. A dog that is Fast Tracking competing in Games 1 on his first run may only move up to Games 2 for his next run, whether or not he earned a score satisfying the qualifying requirements for Games 3 in his first run.

A qualifying score in the lower class is required to move up to the next higher class. You must submit a copy of title certificates for each dog. Fast tracked dogs are not eligible for placement or title ribbons, but are eligible to receive Q ribbons.

Submit \$4.00 for each dog's fast track request (one \$4 fee for games and one \$4 fee for standard). Payment of the fee is no guarantee that your dog will qualify at the lower level (though he will have multiple chances at each), and is non-refundable. Even if you have paid to fast track your dog before, you must pay the fee again to fast track at this trial.

FEO (For Exhibition Only)

FEO (For Exhibition Only): TDAA offers FEO runs. They are open to any TDAA registered dog in any class. These are offered at the option of the local/host club. FEO dogs will run last in their jump heights. They may run on lead. FEO runs do not count toward TDAA titles. No treats or food allowed. FEO teams will have a maximum time of 1.5 times the SCT. FEO dogs cannot repeat any obstacles; no training in the ring

NOTICE TO EXHIBITORS

- The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.
- Entry fees will not be refunded in the event that a dog is absent, disqualified, excused, or barred from competition by action of the show committee. A refund of all but \$5 will be given for bitches in season if secretary is contacted by the Wednesday before the trial.
- All fees must be paid in US funds. There will be a Returned Check Fee of \$30 for returned checks. In the event of withdrawal from the event, checks will NOT be returned. All unused checks will be destroyed.
- It is expressly understood that exhibitors alone are responsible for the behavior of their dog(s) and / or children. Any exhibitor whose dog(s) and / or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the show committee, be asked to leave the show site. In that case, no refund of any fees paid will be made.
- All dogs must be on leash at all times except when using the warm up area or in the agility ring.
- No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy or any other cause beyond the control of the organizing committee.
- Obstacles shall meet the specifications for obstacles in the current edition of the Regulations for Agility Trials.
- Exhibitors are responsible for complete, accurate and legible information on entry forms; illegible or incomplete entries cannot be entered in the show.

HOTELS THAT ACCEPT WELL BEHAVED DOGS

SOME HOTEL COURTESIES TO OBSERVE: There are very few motels in the area that accommodate competitors and their dogs. Please use care with your dogs in these motels.

- ✓ Cover the motel's bedding with a sheet, whether or not you think your dog will get on the bed.
 - ✓ Make every effort to have your dog free of fleas BEFORE arriving
 - ✓ Of course, as is standard agility procedure, the dog's handler/owner will pick up all poop. Please bag and dispose of it properly. Remember that your motel is an extension of the show site. You must clean up after your dog.
 - ✓ Don't leave your dog(s) unattended. If you must leave, either take them with you, or leave them crated. Even the best dogs(s) can get carried away having fun in a motel room without you present. We WILL request reports from the motels as to the behavior of agility guest and their dogs. Please be respectful of your motel neighbors.
