### No Entry For Exhibition Only

No entry "For Exhibition Only" shall be accepted, except as provided for in Chapter 10 when Intro Program classes are offered. See additional note for club policy regarding dogs that measure up.

### **General Rule on Eligibility**

This event is sanctioned by the United States Dog Agility Association, Inc. ("USDAA").

This test is open to all persons with dogs being at least 18 months of age (14 months of age pursuant to Chapter 10 for Intro Program when offered OR for Sanctioned Match), regardless of pedigree or absence thereof, who have a current registration with USDAA and whose owners and the dog's handler are currently in good standing with USDAA.

This event will be held under USDAA® Official Rules and Regulations, a copy of which may be viewed and printed online at [www.usdaa.com](http://www.usdaa.com).

### **Policy on Refusal of Entry**

The Organizing Committee of an event may refuse the entry of any competitor or dog for just cause should the Committee view that participation by the competitor or dog could be prejudicial to the sport. However, in such case, the Committee must notify the competitor in writing upon receipt of entry, but in no case, more than three days following the event closing date for acceptance of entries. The burden of responsibility for the appropriateness of such action rests solely with the host group and its Organizing Committee.

### **NSF Check/Credit Card**

Any check or credit card that is charged back by the bank or other financial institution may be assessed a service charge of up to \$40 per incident at the discretion of the host group.

Returned checks or credit card returns do not constitute a valid entry. Amounts shall be paid within 30 day of postmarked notice of the returned payment if such date follows the event date. Any fees not received within 30 days of notice will result in cancellation of event results for all classes related to the entry for which payment was made. No reinstatement of results is possible, and all awards must be returned within 10 days of notification or the dog's registration may be suspended pending restitution.

Any unpaid fees or shortfalls must be paid prior to the start of the event, or entry is canceled without recourse.

### **Refund Policy**

There shall be NO REFUNDS for entries withdrawn after the closing date for acceptance of entries, for absentee, dismissal from the event as a result of disciplinary action, dismissal from a class, or for any other reason. Also, no entry fees will be refunded if the event cannot open or be completed by reason of riots, civil disturbances, acts of terrorism, fire, "act of God", public emergency, strike, or any other cause beyond the control of the host organization.

### **Submission of Entries with Secondary Move-Up Date**

All entries or cancellations must be received at the Secretary's address no later than the closing date, after which time no entries will be accepted or cancelled. For entries received by the closing date, the level of entry into a given class may be advanced by notifying the Secretary in writing via email by the "Secondary Closing Date". No other changes, cancellations or additions may be made after the initial closing date.

To be accepted, entries must be complete, signed (by parent or legal guardian if handler is a minor), received by the closing date and accompanied by the correct fees and include a valid USDAA registration number on a completed registration form.

### **Next-Day Move-Ups Allowed At This Event**

Competitors earning a qualification during the Event that is needed to complete a title may advance their level THE NEXT DAY at the same event, i.e. move-ups on consecutive days ARE allowed.

Competitors are responsible for keeping accurate records of their qualifying scores and the judges from whom these scores were earned prior to this event to ensure that the dog is eligible to move up based upon scores earned at this Event. Competitors are advised to confirm scores earned with the scorekeeper and judge at the conclusion of a class to ensure the qualifying score has been accurately calculated and awarded in accordance with regulations. If for any reason it is determined that the score or previous scores were inaccurate, making the entry ineligible for the higher level class, any results (including awards) shall be forfeited and the entry will be deemed invalid without refund or other recourse.

Move-up forms supplied by this event must be used to notify the secretary BEFORE she leaves the site the day on which you earn your title.

## **General Entry Conditions**

### **Prohibitions on Aids & Devices**

No leads, collars, food, toys or other aids or devices shall be permitted on the course at any time, except as provided for in Chapter 10 when Intro Program classes are offered, or in Chapter 8 when Junior Handler Program classes are offered.

### **Statement of Responsibility**

Competitors alone are responsible for the behavior of their dogs, children or guests. A competitor whose dogs, children or guests create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Organizing Committee, be asked to leave the test site.

### **Policy on Fault Limits**

In the event of a larger entry, fault limits may be set at the discretion of the Organizing Committee and/or Judge without pre-event notice.

### **Spam Blocker**

Confirmations will be sent via email using the secretary's address. If you have a spam blocker on your email account, please configure it to allow email from the secretary's address since confirmations will be sent from this account.

## Class Descriptions

### Intro Program Classes

The Intro Program is designed to help new competitors measure their progress in training and to acclimate to the fundamental elements in dog agility competition. Competitors with dogs that are at least fourteen (14) months of age and have not earned a title in the Championship, Performance or Veterans programs are eligible unless entered in the same class on the same day at the event in the Championship, Performance or Veterans programs when Intro Classes are offered at a regular event.

Obstacle standards shall be the same as in the Starters Class with exceptions noted in Chapter 10 of the regulations. Six (6) jump heights may be offered: 4", 8", 12" & 16" with the A-frame set at approximately 5'0" and 22" & 26" with the A-frame set at approximately 5'6".

Performance standards for the Intro Program Classes are the same as in the Starters level except as modified by special rules for each class as detailed in Chapter 10. Qualifications earned are accumulated toward title certification in each class - Standard, Jumpers, Gamblers and Snooker - and overall for a versatility title.

A competitor who is otherwise not eligible under the regulations for entry to the Intro Program for titling purposes may enter the Intro Classes for exhibition only ("FEO") at the clubs option, provided they are not also entered in the same class type in another program (i.e., Championship, Performance or Veterans). An FEO round is ineligible for qualification, prizes and awards. Non-audible toys held in hand may be utilized in an FEO round.

The FEO competitor may opt to run the course utilizing regulation A-frame heights as provided in Chapter 10 of the regulations for the Intro Program, or alternatively the competitor may elect at time of entry to utilize an A-frame set at 104° (app. 5'6") if jumping 4", 8", 12" or 16", or an A-frame set at 98° (app. 5'11") if jumping 22" or 26".

**See entry form for details regarding jump / A-frame heights offered and FEO availability.**

One or more titling classes shall be held at this Event from those described in Chapters 3 - 8 of USDAA Official Rules & Regulations, which are downloadable from [www.usdaa.com/rulesReg\\_eBook.cfm](http://www.usdaa.com/rulesReg_eBook.cfm), and any amendments there to, which are downloadable from [www.usdaa.com/rulesReg.cfm](http://www.usdaa.com/rulesReg.cfm), each of which are hereby incorporated by reference.

### Tournament Class Rules & Descriptions

A written copy may be obtained from the Event secretary.

### Veterans Program Classes

Veterans level classes offered at this event are open to a competitor with any dog that is at least eight (8) years of age as of the first day of this event. Previous experience in the sport sufficient to establish proficiency and confidence in performance is strongly encouraged. Once a competitor has earned a qualifying score with a dog in a Veterans class, the dog is no longer eligible to enter that class in the Championship or Performance Programs when a Veterans class is offered. Complete program rules can be found at [www.usdaa.com/rulesReg\\_eBook.cfm](http://www.usdaa.com/rulesReg_eBook.cfm) which are downloadable from [www.usdaa.com/rulesReg.cfm](http://www.usdaa.com/rulesReg.cfm)

### Mixed-Height Pairs Entry Allowed

Dogs entered as partners in pairs relay at this event may be combined without regard to jump height, i.e. a mini dog may be entered as a partner with an open dog. Any pair consisting of at least one open dog must qualify in accordance with the QCT set forth by the judge of record for Open Pairs AND will be considered an open pair for placement purposes.

### Brace Game

This class is open to all Championship and Performance levels. This will be a modified starters-style standard course judged under Starters rules. The following obstacles may be used: jumps (winged and non-winged, no spreads), tunnels, weave poles, table, and A-frame (set at 5'0" for all dogs). A team will consist of one handler and two dogs running the course simultaneously. The jump height will be set at the lowest height of the two dogs based on each dog's standard class jump height; five (5) jump heights will be offered: 8", 12", 16", 22" and 26". Scoring will be time plus faults. This class is non-qualifying.

All dogs not jumping 26" in the Championship Program or 20" in the Performance Program must be measured unless they have a permanent USDAA or World Cynosport Dog Registration card or a temporary card with 3 signatures as required by the regulations, making the dog eligible for their jump height (prior to 3 years of age). When not enrolling electronically, please send a copy of one of the following items to facilitate the check-in process:

- photocopy of permanent dog registration card,
- printout of the dog-information page from your USDAA® competitor web account, or
- copy of your check-in letter from USDAA indicating your temporary card has been accepted by the USDAA office and your permanent registration card is in process.

### A Dog that Measures Up at Check-In - May Run FEO

If a judge's measurement of a dog at check-in establishes that the dog is ineligible for the height class in which entered, the competitor may opt to run the dog in the lower jump height class "For Exhibition Only", and no awards or qualifying scores may be earned. The competitor may not change their entry from one program to another (e.g., from Championship to Performance).

ONLY an approved Advanced or Masters-level judge of record OR an Advanced or Masters-level judge hired for measuring purposes may measure an entered dog 18 months or older AND record that measurement on a temporary height card. A temporary height card sent to USDAA containing one or more of the required 3 measurement(s) prior to the age of 18 months will be returned so that the measurement process can be completed per regulations.

A dog NOT entered in the trial is ineligible to be measured.
